CULTURAL ACTIVITY INFORMATION
<input type="checkbox"/> <b>Include EI Cultural Activity Calendar in program price</b> EI's cultural activity calendar helps students to discover and experience the diversity of the cities where our Centers are located. They are the perfect complement to the courses, because it gives them the chance to practice their new language skills in real life situations. It is the best way for students to get to know their classmates, the country they are visiting and its culture. The cultural activities are held three to four days a week in the afternoon after class. Copies of the calendar are available upon request.
<input type="checkbox"/> <b>Request Customized Cultural Activities</b> Some groups like to supplement our EI cultural activities calendar with activities that might not be planned during their stay such as: afternoon visits to local monuments, Flamenco Dance/Music Presentation, Cooking Class, afternoon visits to nearby towns of interest, culture class on a specific topic, guided visit to local parades/functions/festivities and more...

<input type="checkbox"/> <b>Include EI Excursion Calendar in program price</b> Every weekend Escuela Internacional organizes a full day excursion that is normally held on Saturday. Participation is open to all students at EI. The price includes a guide for the day, entrance fees to the sights planned and transportation. Students that live in host families can request a sack lunch to take on the excursion. Copies of the calendar are available upon request.
<input type="checkbox"/> <b>Request Customized Excursions</b> Sometimes groups would prefer to visit destinations that are not planned in the EI excursion calendar during the time that the group will be here, or that require more than one day to visit. In these cases we can arrange private group excursions that include: public transportation or private transportation, local guide or EI professor, hotels or hostels and more...
